At The King David School, our focus is on each and every student being the best that they can individually be. We are proud of all our students, many of whom have chosen to pursue dreams in such highly competitive and diverse fields as Commerce, Engineering and Creative Arts.

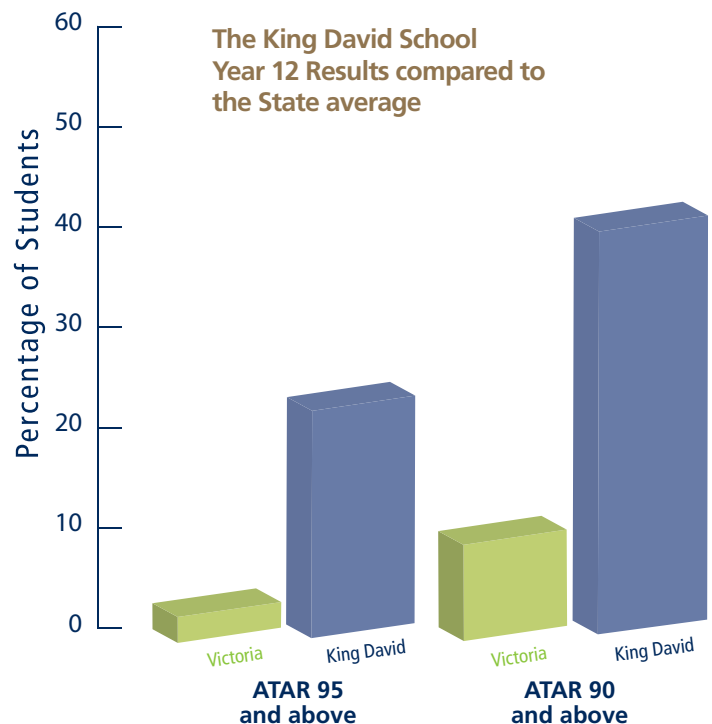

- 24% achieved an ATAR of 95 or above placing them in the top 5% of the State.
- 43% achieved an ATAR of 90 or above placing them in the top 10% of the State.
- Sabina Polkinghorne-Katz achieved a perfect study score of 50 in Business Management.
- This year's Dux is Freya Boltman who achieved an ATAR of 99.20

We are extremely proud of the Class of 2019. They are an extraordinary group of individuals who have a vast array of individual talents and passions. They came together as a group and made a very significant impact on our school community and on one another. They were actively involved in advocating for issues beyond their immediate selves and looked for ways to improve their local environment and the wider world.

Mazal tov to all of our students, their families and their teachers.
