

Traffic & Road Safety

Students may be put at risk by parents who do not observe clearway traffic rules when delivering and collecting students.

Parents are reminded not to park across private driveways, and to adhere to traffic rules and courteous codes of conduct.

Magid Campus Traffic Flow

There is a "Left Turn Only" route at the Magid Campus during morning drop off and afternoon pick up times. This route was developed following professional traffic consultancy advice on the most appropriate traffic flow.

It is important that all parents follow the designated traffic plan which will ease the burden on our neighbours and reduce the frustration for our parents who are driving their cars in the preferred direction and, most importantly improve safety for our students.

The preferred traffic flow at the Magid Campus is:

1. **Access to the Magid Campus via Stawell Street (off Dandenong Road) only. (Do NOT turn into Karbarook Avenue from Orrong Road!)**
2. **Exit the Magid Campus drive-through by turning LEFT ONLY into Karbarook Avenue.**
3. **Turn LEFT ONLY from Karbarook Avenue into Orrong Road.**
